Project description:

Briefly describe your project, its main goals, and how you'll make it happen. *Example: To increase participation in [activity/club], we'll offer 3 free "try-it" days to encourage teens to try it out.*

Why is this project needed?

Tell us why this project is important. If you want, you can use stats from the Planet Youth Timiskaming Data Report to support your answer. Example: In Timiskaming, only 26% of teens play sports with a club 3 times a week or more.

Please tell us how your project has been informed by youth needs/voice.

Example: We talked to a youth group, asked students for ideas, or based the project on feedback we've received from youth.

How many youth will your project reach?

Tell us how many youth you expect will join or participate.

Dollar amount requested: \$ _____

Budget breakdown:

Give a simple breakdown of how you'll spend the funds. If you have other contributions (like donations or help from partners or volunteers), please list them here too.

How will you know your project is successful?

*We ask you to track the number of participants as part of the grant requirements. Are there other ways that you plan to measure the success of your project? For example, tracking attendance, asking participants for feedback, or collect photos/videos/testimonials, etc. See **Sample Indicators and Metrics to Measure Project Success** below with ideas of things to track and measure.*

Please share any ideas you have for keeping this activity going after the funding is used, if that is your intention (OPTIONAL/ NOT MANDATORY):

If approved for a grant, who will receive the payment?

Note: Grants cannot be given to an individual; they must go to an organization.
